WHAT IS SAFE PASSAGE SAFE BLOCKS?

Safe Passage Safe Blocks is a District-wide youth safety program that targets eight priority areas with higher rates of crime during student commute hours.

HOW DOES IT WORK?

- 52 public charter and DCPS schools are covered Safe Passage Safe Blocks.
- 160 Safe Passage workers are assigned to schools and surrounding communities.
- Employees serve as an additional set of eyes and ears on students' commutes and are specially trained to build positive, trusting relationships with students.
